Wertz Warriors New Rider Application

This is week long effort, of which as a “Wertz Warrior” you are required to take part in. Furthermore, within this week long ride, your attendance is a mandatory requirement at each “official” stop and or event whether you are a rider or on the support crew, without exception! We will attempt to cover as many miles as possible on the snowmobiles even if the conditions are less than favorable. However, as conditions dictate, our scheduled route and or stops will be completed each day throughout the week in whatever support vehicles are available to us.

It is also your understanding that we are a group, and being such, every effort is made to make decisions that are in the best interest of our group. These decisions are made by the elected board members. Once these decisions are made by the board, whether you agree or not, it is your responsibility as a Wertz Warrior to abide by that decision. Opinions and suggestions will always be attended to at the appropriate time and place.

Your individual actions while on this ride are a reflection on all of us Warriors. Our reputation and future existence depends mainly on our behavior that we project to others as we proudly wear our “Green Jackets”. Never let the Wertz Warrior name be placed in jeopardy by the actions of yourself or any other fellow Warriors. Remember who we are and why you became a Wertz Warrior.
